

River Rafting

Rafting is possible from Mai to September when the snow and the glaciers are melting. River rafting is also a lot of fun in bad weather days. You will get wet anyway!

River Rafting Lütschine

The Lütschine is our most popular and demanding rafting river. Paddle on the powerful and challenging glaciated river in the beautiful valley of the Lütschine.

River Rafting Simme

The Simme is a scenic white-water river which winds its way through the Simme valley. This trip is for everyone who wants some fun and action combined with pleasant surroundings.
