

## Team Events

**“Together with you, we will arrange unique and made-to-order outdoor events in one of Europe’s most beautiful sceneries – our guaranty for unforgettable impressions!”**

Would you like to do something very special with other staff members in your company, with your friends or your club? If yes, we will create a special offer to suit your wishes and requirements.

The experience of fun and happiness, mixed with a hint of sporty ambition - that’s pure fun! All you need to do is enjoying and relaxing – we will do the administrative and organisational parts for you.

Listed below, please see the different types of activities we offer, and feel free to choose and combine whatever you would like to do.

### **Team**

Special team tasks in summer and winter will challenge your team with mind, strength, creativity and communication.

### **Activities on Rivers or Lakes**

Rivers and lakes are the best places for team activities or wonderful incentive programs.

### **Activities in the Air (Tandem Paragliding)**

Activities such as tandem paragliding, ballooning and/or landing on a glacier are always a big success for incentive events.

### **Adventure Activities**

Adventures in the wood and mountain – where team spirit will be demanded or every single person gets challenged.

### **Expeditions**

GPS navigation and orientation, making fire, self cooking inside the nature...

### **Creativity**

Do you have a good idea? Tell us and we will try to make things possible.

### **Magical Evenings in a Hut**

Spend a comfortable and cosy evening in a hut, surrounded by snow-covered forests, listening to relaxing music and just enjoying happiness. You will be served the most delicious fondue, raclette or a special “Chinoise” fondue. This is exactly the right thing for having a special evening with your friends, family, acquaintances or your partner.

Of course, all these ideas can be combined with snowshoeing, tobogganing or other activities according to individual wishes.

There is hardly anything that we cannot organise for you. Just give us information about your wishes and ideas, we will compose the ideal package of activities for you!
